SANTIAGO, APRIL 5, 2024

Machris Cabrerros
Global Coordinator
Progressive Alliance

Dear Comrade

Hoping that this letter finds you well, and congratulating the recent realization of the meeting of the Progressive Alliance of the Americas APLA, I am writing as president of the Socialist Party of Chile.

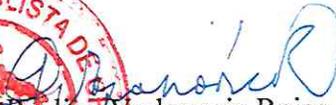

It is a pleasure for me and my party to be able to confirm and accept to host the global convention of the Progressive Alliance, and even more to have had the unanimous vote of our comrades at the APLA meeting in Rio de Janeiro, Brazil. We know the importance of this meeting, and we reaffirm our commitment as founding members of the Progressive Alliance to contribute, work and contribute to the strengthening of our project in all corners of the world.

The date decided to hold the convention will be October 5 and 6, in the city of Santiago de Chile. As was informed and voted at the APLA meeting, comrade Maximiliano Moran will represent me on the board in case of absence and will be the designated organizer for the global convention.

This date will not only coincide with our campaign process for the October regional elections, but it also coincides with the anniversary of the plebiscite that overthrew the Pinochet dictatorship, a date that fills us with pride and encourages us to continue strengthening our democracy.

Looking forward to meeting you at the convention, from Chile our best wishes.

Paulina Vodanovic Rojas
